PERFORMANCE

Fire rating: AS3837 Group 1 [DOWNLOAD](#)

CARE & MAINTENANCE

Slight irregularities in fibres and the occasional minor print flaw caused by loose fibres are considered to form part of the textural charm of this product.

Clean with soft dry brush

SUSTAINABILITY

We strive to follow principles of sustainability through all our business activities and the entire process from weaving to production. We print locally to order and only use water-based inks and recyclable bi-products. We regularly research the latest developments in sustainable textile production to ensure we are using all available innovations to reduce the environmental impact of both our production and products.

All fibres from sustainably managed forests
Made in plants with ISO 14001 certificates for environmental management
